STRENGTHS

- React.js & Redux Toolkit
- Node.js & Express.js
- MongoDB & Mongoose
- RESTful API Integration
- Authentication & Authorization
- Responsive & Interactive UI
- Teamwork & Git

LANGUAGES

- English
- Hindi

TOOLS

- Vs code
- Postman
- Git & GitHub

TECHNICAL SKILLS

- Languages - HTML, CSS3, JavaScript (ES6+), Node.js
- Framework - React.js, Express.js, Tailwind CSS
- Library - Redux, Axios, Context-API, Jsonwebtoken, Multer
- DataBase - MongoDB & MySQL
- Tools - Git, GitHub, Postman, VS Code

EXPERIENCE (INTERNSHIP)

Web Development Intern -[Mind coders technology indore] (04/2025 - 09/2025)

Throughout this internship, I built and deployed MERN stack applications with Redux, Context API, and responsive React.js + Tailwind CSS, implemented JWT authentication, bcrypt security, and Nodemailer, while collaborating with senior developers on real-world projects.

PROJECTS

EduMantra -(MERN, Redux, JWT, Razorpay, reCAPTCHA, OpenAI API)

- Built a full-stack MERN platform with role-based authentication for students and teachers
- Implemented secure login/signup, profile management, and password update using JWT
- Developed teacher module to create questions and generate papers with a real-time workflow
- Built student module with course purchase (Razorpay), test access, result calculation, and history tracking
- Stored test results and enabled re-attempt with previous score visibility
- Integrated ChatGPT API to provide AI-based answer explanations
- Enhanced security using Google reCAPTCHA and backend validations

Recipe App :-

- Developed a full-stack recipe management system with secure authentication and user profile management
- Implemented CRUD operations for recipes and an inquiry feature, integrating REST APIs with the frontend
- Designed a responsive and modern UI using React.js and Tailwind CSS

Todo List Application :-

Built a Todo List app using React.js and Context API with add, edit, delete, and mark-complete features.

EDUCATION

Shri Dadaji Institute of Technology & Science, Khandwa

Affiliated with Rajiv Gandhi Proudhyogiki Vishwavidyalaya (RGPV).

Bachelor of Technology in Computer Science Engineering

2022-pursuing(Complete in JUNE 2026)
